## NEW INFORMATION BUREAU FOR DRAFT REGISTRANTS OPEN

Six expert, good natured, accommodating clerks today opened the new information bureau in room 613, District building, for the draft law registrants. Joseph E. Buckley is in charge, and his assistants are Miss Margaret Eichhorn, Miss Lennie Lee McGregor, Mrs. Alma Edelin, Edwin Gardner, and Miss Margaret Leach. Mr. Buckley has just ended a task in which he achieved brilliant success as executive to Director D. J. Callahan, of the War Savings campaign.

To room 613 all young men who have registered under the draft law will go for information which up to this time they have sought from Major Donovan. Major Donovan has been burdened with innumerable details, and the press of work finally demanded relief that he might give attention to the more general phases of the operation of the law of which he has charge for the District in a supervisory capacity.

The new bureau will be a busy place. Ten thousand men are on the registration lists in all classes, and anyone of them is a possible candidate for information as to his relationship to the army draft calls. The 10,000 include District citizens as

## Kaiser Hanged In Effigy Aboard Battleship For Benefit of Red Cross

AN ATLANTIC PORT, July 12.—Kaiser Wilhelm was hanged in effigy off the coast of Cuba, on July 4.

The rites took place on board a South American steamship which arrived here today. Capt. E. U. O'Bryan O'yley, of the British army, bid \$55 for the privilege of hanging the Kaiser to the yard arm. One hundred other passengers paid \$1 each to participate. Altogether \$1,000 was raised for the benefit of the Red Cross, the money being turned over when the vessel arrived today.

well as non-residents who are here and who have registered as such.

Five hundred cases of non-residents will in the immediate future be handled by the new bureau.

The evening of July 13, 100 white registrants are to meet for instructions, and they will leave the next morning for Camp Humphreys. Four hundred colored registrants will meet the evening of July 18 and will go the following morning to camp.

## PLANS PREVENTION OF FUTURE WAR BY BUSINESS PRESSURE

SAN FRANCISCO, July 12.—Economic pressure to prevent future wars was suggested here by Herbert S. Houston, vice president of Doubleday, Page & Co., at the war convention of the Associated Advertising Clubs of the World.

The speaker suggested, among other possible agencies to be employed by a league of free nations, an international division of advertising, an international chamber of commerce, and an international clearing house, as component parts of a complete international aggressive and militant, as well as defensive, organization.

Charles F. Berg, of Portland, Ore., said that new methods applied by the spruce production division of the United States Army had increased the output of airplane spruce more than 700 per cent.

The name of Wilbur D. Nesbitt, of Chicago, was announced as the first candidate for the presidency of the association. The election will be held today as one of the final acts of the convention.

W. H. Morehouse, of Los Angeles, was elected president of the financial advertisers association, a departmental branch of the Associated Advertising Clubs. Other officers elected were: First vice president, Fred W. Ellsworth, New Orleans; second vice president, H. D. Robbins, New York; secretary, M. E. Holderness, St. Louis; treasurer, C. A. Gode, Chicago.

New Orleans was made the unanimous choice for the 1919 convention. A war savings stamp that costs \$4.15 now will be worth \$5 on January 1, 1923.

### HOW TO GROW FAT

A Lazy Stomach the Cause of Thinness, Nine Times in Ten

If you are thin or lean, have scrawny arms and neck, you can't grow fat unless your food properly digests.

People take on flesh in proportion to the nutritious matter which the organs of digestion absorb and pass into the blood.

Just as long as the nutritious matter passes along without being absorbed, just so long will you remain thin.

Perhaps your stomach, bowels and liver need a tonic. If your digestion is not perfect, Mi-o-na tablets will put it right at once.

Mi-o-na will relieve indigestion and every conceivable ailment of the stomach promptly. It strengthens digestion by building and toning up and not by encouraging a tired stomach to continue its shiftless and health-destroying habits. It promptly drives away sour stomach, belching of gas, heaviness after eating.

O'Donnell's Drug Stores sell Mi-o-na and guarantee it to relieve indigestion, sea and car sickness, vomiting or pregnancy and all stomach diseases and distress, or money back. Mi-o-na is sold by leading druggists.
